March 10 (Sat.-Budget Workshop @ OMS)	August 22 (Regular Meeting @ OMS)
March 21 (Regular Meeting @ OMS)	

The Harborfields Board of Education is made up of seven residents of the community who serve staggered three-year terms, without compensation, as your representatives in all matters concerning the school district. Board elections are held annually in the spring. The Board has its own bylaws, which have been developed within the bounds of legal authority granted to local boards by the State of New York. Regular business meetings usually are held on the third Wednesday of the month in the board room on the second floor of the Oldfield Middle School or in the specified location as noted on the calendar. Board meetings begin at 7:45 p.m. Community members are welcome at meetings and time is reserved on the agenda for public participation. The members of the Board of Education may be contacted through the following e-mail address: BoardofEducation@harborfieldscsd.org.

BOARD MEETING GUIDELINES

The Harborfields Board of Education is a statutorily constituted body engaged in the transaction of public business. It acts in accordance with the authority and responsibility vested in it by law, on behalf of citizens not present at the meeting as well as those who are present. The Board may seek advice and suggestions, but it may never abrogate its responsibility to make decisions except as provided in laws relating to referral to the electorate.

The purpose of all special and regular meetings of the Board of Education is to conduct the official business of the school district. Meetings are held in public. The Board invites residents, parents, and other interested parties from the community to attend all meetings and to understand its work fully.

It is reasonable to expect that these interested parties will, from time to time, have matters to be brought to the attention of the Board. Therefore, recognizing that public participation is an important part of its meeting, the Board offers the following statement of guidelines which outlines the procedure by which the residents may be heard:

1. At the discretion of the Board, a resident who wishes to be heard regarding any item on the agenda may speak at the beginning of the meeting. The president will recognize residents before the Board begins to conduct its regular business. If time permits, after agenda items are addressed, a resident may speak on any other matter. When invited to speak, residents will be asked to identify themselves and the organization, if any, that they represent.

2. A resident who wishes to be heard regarding any matter other than items on the agenda may be recognized by the president at the end of the meeting during the period scheduled as "Public Participation." The Board has the power to limit the time for public participation at the beginning and at the end of each meeting in order that the official business of the district may be carried out.
3. If a resident wishes any material noted or entered into the minutes of the meeting, a Board resolution to that effect must be passed at the meeting. Such material shall be presented to the district clerk in writing. Minutes of Board meetings are a matter of public record and may be inspected at the district office.

ANNUAL DISTRICT ELECTION

District residents will vote on the school budget and elect School Board members on May 15, 2012. The polls will be situated at Oldfield Middle School, with voting hours from 3:00 p.m. to 10:00 p.m. Any resident interested in working as an inspector of election should contact the district clerk at 754-5320, x321.

ABSENTEE BALLOTS

Applications for absentee ballots may be obtained in the office of the district clerk at the district office in the Oldfield Middle School

CENTRAL ADMINISTRATION

Superintendent of Schools

Frank J. Carasiti

carasitif@harborfieldscsd.org

Deputy Superintendent

Diana Todaro

todarod1@harborfieldscsd.org

Assistant Superintendent for Business

William Nimmo

nimmow@harborfieldscsd.org

Assistant Superintendent for Human Resources

Howard Koenig, Ph.D.

koenigh@harborfieldscsd.org

(754-5320, ext. 321). **Applications must be received at least seven days prior to the election if the ballot is to be mailed to the voter or the day before the election if the ballot is issued to the voter in person.**

Absentee ballots are provided upon proper application to any qualified voter who will be unable to vote in person due to illness or physical disability, hospitalization, incarceration (unless incarcerated for conviction of a felony), travel outside the voter's county or city of residence for employment or business reasons, studies, or vacation on the day of the election. Persons designated by the Suffolk County Board of Elections as permanently disabled pursuant to provisions of the Election Law will automatically receive an absentee ballot and need not apply.

QUALIFICATIONS FOR A SCHOOL DISTRICT VOTER

A person shall be entitled to vote at any school meeting for the election of school district officers and upon all other matters which may be brought before such meetings. The person must be: (1) a citizen of the United States; (2) eighteen years of age; and (3) a resident of the school district for thirty days preceding the meeting at which the person offers to vote. No registration is required.

District Information & Services

YOUR SCHOOL DISTRICT

The Harborfields Central School District, located on the north shore of Long Island in the Town of Huntington, encompasses the village of Centerport and most of Greenlawn, and includes parts of Huntington, Huntington Station, and Northport. The school community covers approximately eight square miles and has a population of about 20,000. District staff (administrators, teachers, support, clerical, and custodial) totals about 550 people, including part-time personnel. Estimated total enrollment for September 2011 is 3,560 in the district's four schools: Washington Drive Primary School (K-2), Thomas J. Lahey Elementary School (3-5), Oldfield Middle School (6-8), and Harborfields High School (9-12).

ABSENCE

According to state law, absence from school is excusable for the following reasons: illness, death or illness in the family, impassable roads, religious observance, quarantine, approved educational trips, required presence in court, attendance at organized clinics, remedial health treatment, and approved cooperative work programs. Absence for any other reason is noted as illegal and is so marked on the student's record.

On the day that your child is absent, you must call the attendance office before noon to explain the reason for absence. On the day the child returns to school, he/she must bring a written excuse signed by the parent/guardian.

ATTENDANCE

Regular attendance is essential to the success of any educational program. There are legitimate reasons for occasional absences and the schools discourage the attendance of children who are ill. However, absenteeism interferes with learning and, furthermore, good attendance is important to the school district and its taxpayer-residents. Every absence means lost state aid, and lost state aid can mean higher school taxes.

BOCES

The Board of Cooperative Educational Services (BOCES) provides many services to the Harborfields schools. Among these are special education placement for students with special needs and vocational training, which provides courses for high school students in such trades as auto mechanics, carpentry, cosmetology, nursing, food services, data processing, business machines, plumbing, landscaping, and printing.

DISTRICT PUBLICATIONS

The Harborfields district newsletter, *Harborfields Highlights*, is the official publication of the Board of Education. It is mailed periodically to all homes in the district and reports on items of interest from all of our schools.

PTAs at WDPS, TJL, and OMS also publish their own newsletters and send them home with students. Harborfields High School mails its newsletter, *The Clarion*, which includes PTSA news.

EXTRACURRICULAR ACTIVITIES

A multitude of planned activities outside the regular primary, elementary, middle, and high school programs are available to every student according to individual interests and abilities. These include interscholastic and intramural athletics, theater groups, clubs related to every field of study, and student government organizations. New groups are assembled whenever student interest indicates the need. Student handbooks detail the many opportunities for extracurricular activities that exist for Harborfields students.

SMOKING PROHIBITED

Smoking and tobacco use are prohibited in all school buildings and school vehicles, on school property, and at any school-sponsored events.

SAFE AND DRUG-FREE ENVIRONMENT

The district recognizes that substance abuse is a serious health problem. Under no circumstances does the district condone the use and abuse of chemical substances. The Board of Education has developed comprehensive policies on substance abuse in the schools. Copies of these policies are available from the district office. Safety in the schools is the Board of Education's main concern and, as a result, the district complies with the mandates of the Drug-Free Schools and Community Act.

BUS TRANSPORTATION

Bus transportation to and from school is provided for all students in grades K-2, for students in grades 3-8 who live one-half mile or more from the school they attend, and for students in grades 9-12 who live one mile or more from the school they attend. Problems pertaining to transportation should be referred directly to the building principal.

IMPORTANT NOTICE

A written request for transportation for the 2012-2015 school year to private or parochial schools within 15 miles MUST be submitted to the transportation coordinator by April 2, 2012.

BUS SAFETY

Each school's schedule provides for several bus safety drills during the year, under supervision of the building principal. The purpose of the school bus drills is to instruct students on location, use, and operation of the emergency door, fire extinguisher, first aid equipment, and windows as a means of escape in case of fire or accident.

To supplement this instruction, a list of rules for safe conduct at the bus stop and on the school bus is published by the district as part of the annual school bus information mailed to each household in August. We ask that parents review this material and discuss it with their children, stressing the importance of compliance with these safety rules. We also ask that parents see that their children are at the designated bus stops on time. Bus drivers have been instructed not to wait for tardy children. Any complaints regarding incidents at bus stops or on school buses should be reported to the school principal's office.

HACEF

HarborfieldsHACEF@gmail.com

The Harborfields Alumni and Community Educational Foundation (HACEF) was founded in the Fall of 2003 and is a recognized not-for-profit 501(c)(3) educational foundation dedicated to working in cooperation with the Board of Education to promote and enhance the educational opportunities for children through the support of the schoolwide community. Among its many objectives, HACEF provides grants for educationally related enrichment projects, scholarships to graduating seniors, job mentoring opportunities for students, and an opportunity for alumni to network with each other.

Board of Director meetings are held in the Oldfield Middle School Board Room on the dates specified in the calendar.

SLATE OF OFFICERS

Co-President, Marianne Minton261-1213
Co-President, Laurie Wax261-5580
Vice President, Denise Leparik549-4137

APPOINTED POSITIONS

School District Liaison.....Diana Todaro

HACO

The Harborfields Alliance for Community Outreach (HACO) was founded by Harborfields' alumni to ensure that all students and community members receive life's necessities, without worry. In 2009, HACO was recognized as a 501(c)(3) not-for-profit foundation. With this new classification, the foundation is able to accept monetary donations and gifts, request the use of district facilities and expand services offered to the school community.

Board of Directors meetings are held in the Oldfield Middle School Board room on the dates specified in the calendar.

HEALTH SERVICES

SCHOOL NURSE

The school nurse is available for first aid and health emergencies and acts as a liaison between the home, the school, and the family physician when necessary. The nurse also maintains students' health records and supervises general health screening, including vision, hearing, and scoliosis.

PHYSICAL EXAMS

New York State requires that each child receive a physical examination upon entry, yearly if receiving special education services and in second, fourth, seventh and tenth grades. The Board of Education requests that this examination be made by the family physician

whenever possible, but if a medical report has not been returned to the school nurse by October 31, the examination will be conducted in school by the school physician.

I. IMMUNIZATION

In order to protect all of the students who attend the district's schools against communicable diseases, a student will not be allowed to attend classes unless a parent or guardian furnishes the school with one of the following:

- A. A certificate of immunization (signed and prepared by a doctor or by another certified individual who administers immunizing agents) specifying the products administered and the dates of administration which shows that the child has:
 1. Three (3) doses of diphtheria toxoid-containing vaccine
 2. Three (3) doses of tetanus toxoid-containing vaccine and pertussis vaccine (DTaP, DTP) if born on or after 1/1/05
 3. One (1) dose of tetanus, diphtheria, and pertussis booster (Tdap) if born on or after 1/1/94 and enrolling in grades 6-10 for the 2011-12 school year.
 4. Three (3) doses of polio (IPV or OPV).
 5. Two (2) doses of measles-containing vaccine and one dose of each of mumps and rubella (preferably as MMR)
 6. Three (3) doses of hepatitis B.
 7. One (1) dose of varicella (chickenpox) if born on or after 1/1/98 and enrolling in grades 6-12 for the 2011-12 school year.
- B. A certificate from a physician licensed to practice medicine in this state that one or more of the required immunizations may be detrimental to the child's health.
- C. A written and signed statement from the parent(s) or guardian(s) of a child which states that they hold genuine and sincere religious beliefs which are contrary to the practices herein required. The Board of Education may require further documentation.

In the absence of any of the above, the district will accept an immunization transfer card or a transcript of a child's cumulative health record from the school previously attended demonstrating that these requirements have been met. For disease history of measles, mumps, or varicella documentation by a physician is required.

II. COMMUNICABLE DISEASES

Students who contract the following contagious and infectious diseases will be excluded from attendance in school for the period of time indicated below:

1. Chicken Pox - One week after skin eruption first appears, or until all scabs are dry.
2. Diphtheria - For the period established by the student's physician.
3. Elevated Temperature - Until 24 hours after temperature returns to normal.
4. Fifth Disease - Until 24 hours after rash first appears.
5. German Measles - Until recovery--not over 7 days after onset of rash.
6. Measles - Until 4 days after onset of rash and student's physician approves the student's return to school.
7. Mumps - Until recovery and all swelling has disappeared.
8. Strep Throat (including Scarlet Fever) - Until 24 hours on antibiotic or student's physician approves the student's return to school.

9. Infectious Hepatitis - Until recovery and student's physician approves the student's return to school (after isolation of student during first week of illness).

10. Whooping Cough - Until recovery and student's physician approves the student's return to school.

Children with acute conjunctivitis, impetigo, colds, influenza, scabies, lice, or ringworm may be excluded from school until, in the opinion of the school or the student's physician, there is no longer danger of transmitting the disease to others.

III. ADMINISTERING MEDICATION TO STUDENTS IN SCHOOL

The administration of prescribed medication to a student during school hours is permitted only when the medication is necessary to allow the student to attend school or failure to administer the medication would seriously affect the student's health.

Parent(s) or guardian(s) must present the following information:

1. signed written instructions from the family doctor containing the following information: student's name, the date and name of the medicine, dosage and time to be administered, list of possible side effects, and the name of the physician prescribing the medication;
2. a signed note from the parent(s) or guardian(s) giving the school nurse, teacher, Principal or other school staff permission to administer the medication; or
3. file a medication request form (see exhibits 5420-E.1 and .2) with the school-nurse teacher.

The school nurse shall develop procedures for the administration of medication, which require that:

1. all medications will be administered by the school nurse, the Superintendent or his/her designee;
2. medications shall be securely stored under lock and key in the office and kept in their original labeled container, which specifies the student's name, the name and type of medication, the amount to be given and the times of administration, possible side effects, and the name of the physician prescribing the medication;
3. the school nurse shall maintain a record of the name of the student to whom medication may be administered, the prescribing physician, the dosage and timing of medication, and a notation of each instance of administration; and
4. all medications shall be brought to school by the parent(s) or guardian(s). If a supply of medication is to be left in charge of the school nurse, no more than a two weeks' supply will be kept in the school at any time, if possible. Medication may only be picked up by the parent(s) or guardian(s) at the end of the school year or the end of the period of medication, whichever is earlier. If not picked up within five days of the period of medication, the medication shall be discarded.

An adult must bring the medication to school in the original container. The administering staff member should clearly label the medication with the time to be given and dosage.

IV. STUDENT MEDICAL EXAMS

In accordance with Section 903 of the state Education Law, each student shall have a physical exam given by the school doctor or family physician upon entrance to school and at grades 2, 4, 7 and 10. Findings are to be kept on record at the school on forms that can be obtained from the school nurse or on the website.

V. ILLNESS IN SCHOOL

If a student becomes ill in school:

1. The nurse will determine if the student should remain in the dispensary or return to class.

2. The nurse will call the parent, guardian or substitute parent if he/she feels the student should go home. In general, a parent or guardian will pick up the student from school.

3. If no parent, guardian or substitute parent picks up the student at school, or if no parent/guardian or substitute parent will be home, the student will remain in the nurse's office until such time as a parent, guardian or substitute parent becomes available to assume responsibility for the child.

VI. MEDICAL EMERGENCY

In cases where the health or proper functioning of the student is in jeopardy, the primary concern shall be to obtain immediate medical attention. The nurse shall be notified and will contact the appropriate building administrator. The Building Principal shall notify the parent(s) or guardian(s) and if possible, the family doctor of the student's emergency.

In cases where a medical emergency reveals evidence of possession, distribution, or sale of alcohol and/or other substances or other items prohibited by policy 5312.1, the Principal shall follow the procedures outlined in regulation 5312.1-R.

VII. MEDICAL EMERGENCY RECORD

All students shall have on file a medical emergency record which shall state the name and telephone numbers of the following:

1. the student's parent(s) or guardian(s) at home and work;
2. the student's next of kin;
3. a neighbor;
4. the family physician; and
5. preferred hospital

MEDICATION

According to state law, if any internal medication is to be given, it must be administered by the school nurse and only upon receipt of a written request from the family doctor, giving frequency and dosage and describing the condition for which it has been prescribed. In addition, a note from the parent, requesting that the medicine be given according to doctor's instructions, is required. Medication must be given directly to the school nurse by the parent and must be in its original container from the pharmacy. Students may not carry medicine (including over-the-counter or prescription medication) in school at any time.

PREVENTION AND CONTROL OF COMMUNICABLE DISEASES

Parents are encouraged to keep children at home when illness is suspected and to notify the attendance office when a child is absent due to illness. When the illness is due to a communicable disease, the school nurse should also be notified.

HEALTH RECORDS

In case of a medical emergency, it is imperative that the school is able to reach a parent, guardian, or neighbor. Emergency Contact information is maintained on file for each student in his/her school's health office. Therefore, phone numbers and e-mail contact information should be updated annually if changes are made.

HOME TEACHING

Instruction can be provided on an individual basis for a student confined to the home, hospital, or other institution for an extended period of time as a result of an illness or for a student who may be assigned an out-of-school suspension. Schedules for home instruction will be subject to approval by a licensed physician, and shall meet the following requirements:

- Instruction at the elementary level will be for a minimum of one hour per day for each school day.
- Instruction at the secondary level will be for a minimum of two hours per week for each academic subject or two hours per day in the case of out-of-school suspension.
- Letters from a doctor and a parent are required before home instruction can be assigned.

PRESCHOOL SCREENING: CHAPTER 53 DISABILITY IDENTIFICATION AND CENSUS

If you suspect your three- or four-year-old of having a disabling condition that will adversely affect performance in school, your child may be eligible for a comprehensive preschool screening. The Office of Pupil Personnel Services offers these screenings free of charge. The screenings, which occur each year in the winter, are designed to identify children in need of special education services. For information, contact Victoria Melone, Director of Pupil Personnel Services, at 754-5416. If your child is between the ages of 3 and 21 and you have not registered with the Office of Pupil Personnel Services, please do so by calling 754-5416. Registration will ensure your child has been identified for services.

RELEASE OF DIRECTORY INFORMATION UNDER THE FEDERAL FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Unless objection to any of the specific items in the following "Directory Information" is submitted in writing by parents, legal guardians or by those students over the age of 18 years, the Harborfields Central School District herewith gives notice of intention to provide, release, or publish in the district newsletter or bulletins, the district website, school or student newspapers, magazines, yearbooks or other publications, daily or weekly newspapers, athletic programs, musical, theatrical or award programs, news releases, videos, and school-related organizations any or all of the following directory information pertaining to students as may be appropriate under the circumstances: the student's name, photograph, date of birth,

parents' names, address, telephone number, date and place of recognized activities and sports, weight and height of members of athletic teams, dates of attendance, grade in school, immunization status, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

Under the regulations of this act, parents, guardians, or students over the age of 18 who do not desire the release of any of the above directory information must make a specific request in writing to the Superintendent by September 15 of each school year. Failure to make such a request shall be deemed consent to release, provide, or publish the directory information during the remainder of the school year.

RELEASE OF DIRECTORY INFORMATION TO THE MILITARY

Under the regulations of the No Child Left Behind Act, parents, guardians, or students over the age of 18 who do not desire the release of directory information to the military must make a specific request in writing to the Superintendent of Schools by October 31, 2011. Failure to make such a request shall be deemed consent to release, provide, or publish the directory information during the 2011-2012 school year.

RECORDS AND RIGHTS

The Family Education Rights and Privacy Act acknowledges the parents' right to participate in their children's education through knowledge of information in educational records. Parents have the right to review this information and to exercise some control over disclosures of records. In accordance with these rights, the Harborfields schools will not disclose information from student records without prior written consent of a parent or eligible (18 years or over) student, except as permitted by law. A record of requests for, and disclosures made from students' records, is maintained and may be seen by parents and eligible students. In general, records are available through individual school principal's or guidance offices.

REGISTRATION OF NEW STUDENTS

Students transferring into the Harborfields Central School District may register at the school they will be attending. A recent report card helps school officials gain important background information. All incoming students must present proof of immunization against the communicable diseases listed on page 30 of this calendar. A parent or guardian must accompany any student who registers for or withdraws from school. Further information is available on the district's website (www.harborfieldscsd.net) or at the district office.

SCHOOL CLOSINGS

When the district's schools are to be closed, or when opening is delayed due to inclement weather or any other emergency, announcements will be made on the following:

website: www.harborfieldscsd.net

STATION	DIAL	STATION	DIAL
WHLI	1100 AM	WALK 1370AM/97.5 FM	
WKJY	98.3 FM	WOR	710 AM
WMJC	94.3 FM	WBLI	106.1 FM
WBZO	103.1 FM	News 12 L.I.	Ch. 12
		Fios 1	

The Centerport and Greenlawn fire sirens will sound at 6:30 a.m. if schools are closed. In addition, a school district recording (754-6700) will announce a delayed school district opening or closing.

DO NOT CALL THE FIRE DEPARTMENT FOR INFORMATION!

The Board of Education reserves the right to delay the opening of or to close schools at any time due to inclement weather or a failure in the power and/or heating systems of the schools. If such a decision is made, a public announcement will be made a minimum of one hour before closing. It is the responsibility of the parents to arrange for children to be received at home at any time of the school day if this should be necessary.

MEGAN'S LAW NOTIFICATION

In accordance with the New York State Correction Law, Article 6c, Sex Offender Registration Act (Megan's Law), notification of a sex offender will be provided to the district by the Suffolk County Police Department. The information is available to you under the Freedom of Information Law and can be picked up in person from the superintendent's office. This information can also be obtained through the New York State Department of Criminal Justice website (www.criminaljustice.state.ny.us) or a website created by concerned parents (www.parentsformeganslaw.com). The latter website will provide you with the opportunity to register to become part of a distribution list through which you will receive e-mail notification of any future sex offender who may live or move into the community.

KINDERGARTEN REGISTRATION

In order to be registered for kindergarten in the Harborfields Central School District, a child must be five years of age on or before December 1 of the school year for which he/she is being registered. Proof of age must be submitted in the form of an original birth or baptismal certificate at the time of registration. Students may only be registered if two original proofs of residency are submitted: (1) a mortgage statement or signed lease or contract to purchase; (2) a driver's license or voter registration card, however, if these do not exist or do not confirm district residency, you may submit a copy of an electric, water, or telephone bill.

Children who will enter kindergarten in September 2012 will be registered at the Washington Drive Primary School during the week of February 6 (see calendar).

PUPIL SERVICES

The process of educating children with different interests and abilities or special problems is a complex task. Our staff of classroom teachers is supplemented by other professionals, including home instructors, registered nurses, speech therapists, psychologists, social workers, reading teachers, special education teachers, guidance counselors, and a school physician.

The Office of Pupil Personnel Services coordinates specialized services throughout the district. Furthermore, the district is required to identify all children with disabilities from age three until the age of 21 who live in the community. For information about services for students with disabilities, call Victoria Melone, Director for Pupil Personnel Services, 754-5416.

CHILD NUTRITION PROGRAM

Harborfields Central School District participates in the National School Lunch/Breakfast Program. Nutritionally sound breakfasts and lunches are served each full school day in all schools. The Breakfast Program will not be available when there is a delayed opening.

A menu is published each month for students to take home, as well as being posted on the district website, www.harborfieldscsd.net. The high school offers a wide variety of hot entrees, sandwiches, and salads daily. The following district prices will be in effect during the 2011-2012 school year:

Breakfast	\$.150
Reduced-Price Breakfast	\$.025
Elementary Lunch	\$.205
Secondary Lunch	\$.230
Boars Head Lunch	\$.350
Reduced-Price Lunch	\$.025

Extra Entree Any Day

Elementary	\$.125
Secondary	\$.150

We encourage prepaid meal plans for all students, which make the cafeteria lines move faster. Prepaid meal plans can be purchased through the cafeteria manager. The pre-paid meal plans are valid throughout the school year; positive and negative balances will carry over to the next year. However, they are neither transferable nor refundable. We strongly suggest meal plans be purchased by check or charge. **PLEASE INDICATE YOUR CHILD'S NAME, GRADE, AND TEACHER ON ALL CHECKS. PLEASE MAKE CHECKS PAYABLE TO HARBORFIELDS FOOD AND NUTRITION. All charges can be completed by logging on to Mynutrikids.com using your child's ID number.**

Elementary Lunch Ticket - WDPS/TJL

30-Day	\$.61.50
90-Day (Half-Year Plan)	\$.184.50
180-Day (Yearly Plan)	\$.369.00

Secondary Lunch Ticket - OMS/HHS

30-Day	\$.69.00
90-Day (Half-Year Plan)	\$.207.00
180-Day (Yearly Plan)	\$.414.00

Applications for free and reduced-price meals will be distributed at the beginning of the school year and will be available thereafter from the cafeteria and main office at each school and can be downloaded from the Harborfields website.

A milk program is available for all kindergarten children during their snack period. Each child who would like to receive milk must pay \$99.00 for the year. A choice of milk is available.

Please inform our department of any food intolerances or food allergies your child may have and any personal restrictions that you would like to put on your child's account. Prepaid accounts are only for meals, second entrees, milk or juice. Snacks must be paid by cash only. If you prefer that your children not have a second entree, please inform us.

Comments and suggestions on the school lunch program are welcome. Call Gail Sanders, Food Services Director, at 754-5310, ext. 351. Special arrangements may be made to purchase ice cream and bagels for students' birthdays and other special celebrations through the cafeteria manager at each school.

Please check the district website (www.harborfieldscsd.net) for the monthly menus, department forms, and other important information. Call our department regarding substitute food service positions.

Any questions for each individual school, please contact the following managers or call Gail Sanders, Food Service Director.

RELIGIOUS HOLIDAYS

At the beginning of each school year, a list of religious holidays will be posted in each school. A parent or guardian must submit a written request to the building principal prior to the date on which the holiday is observed for the pupil's absence on the holiday.

RELIGIOUS INSTRUCTION

A student who presents to the teacher a card signed by parents and clergy may be released for religious instruction. The permission card will remain on file in the school office. Release time for religious instruction shall be the same in each school building or unit thereof, and the specific time of instruction will be announced in each school. The school is not responsible for transportation to and from the place of instruction.

STUDENT PROGRESS REPORTS

High School and Middle School

Report cards for high school students and middle school students are mailed to their homes at the close of each 10-week period. Interim reports are distributed at approximately the 5th, 15th, 25th, and 35th weeks of school. The exact dates are indicated on the calendar. These interim reports serve to inform parents when their children are doing unsatisfactory work or failing, but they often are used to commend students for outstanding academic performance and effort.

VISITOR POLICY

All visitors to any of the buildings in the district must:

- Show photo identification
- Sign in with the Greeter
- Carry visitor's pass at all times
- Sign out at the Greeter's desk when leaving

Thank you for your cooperation.

OR EMPLOYMENT.**

INTERSCHOLASTIC ATHLETICS

Harborfields offers students in grades 7-12 a wide range of opportunities to participate in interscholastic athletics. Before playing on any team and before each sports season, the student must undergo a physical examination administered by the school physician and a health screening by the school nurse.

Encouraging student involvement in sports is the goal of the Harborfields Booster Club, which is dedicated to the support, maintenance, and improvement of all athletic programs. Monthly meetings are noted on the calendar. For further information, contact John Valente, Director of Physical Education, Health, and Athletics, at 754-5375.

VARSITY ATHLETIC VACATION POLICY

In order to ensure that students recognize and understand their responsibility as a member of the varsity team, parents and students are reminded that their participation requires attendance at all practices and games during non-school and vacation periods. **Therefore, student athletes must be prepared to participate in athletic practices or games that may be scheduled during the following recesses: Thanksgiving, winter (December), mid-winter (February),**

and spring (April). As a school district and member of the Suffolk County Athletic Association, we are committed to preparing for and honoring the contest schedule and games during these non-school and vacation periods. In addition to these periods, the fall sports season will commence on the Monday prior to Labor Day, with football commencing the Tuesday prior to this date. Consequently, all varsity athletes and their families are reminded to plan vacations accordingly. It is recognized that there may be situations of an emergency nature that may arise which would necessitate the missing of scheduled practices. The student athlete and family may request an exemption from this policy by appealing to the director of athletics.

WORKING PAPERS

The New York State Labor Department requires working papers for students under 18 who seek employment. An application must be obtained at the middle school guidance office or high school guidance office and the student must be examined by a physician before working papers are assigned.

ASBESTOS REINSPECTION

The Harborfields Central School District has complied with the Asbestos Hazard Emergency Response Act, AHERA [40 CFR 763.85 (E) (B)] by completing the following requirements:

- Reinspecting all buildings and spaces for all asbestos-containing building materials.
- Sampling previously untested building materials suspected of containing asbestos.
- Updating the AHERA Management Plan.

The reinspection results and the updated AHERA Management Plan are available for review in the main office of each building or in the office of the assistant superintendent for business, located in the Oldfield Middle School.

CONSERVATION MEASURES

The schools in the Harborfields district will continue to attempt to conserve energy by lowering thermostats during the winter months. Building temperatures during the instructional day will be maintained at 65° in the secondary schools. Lower night levels will go into effect at 3 p.m., and will be 10 degrees cooler. Weekend and holidays will be cycled for the night temperatures. Parents are asked to cooperate by seeing that their children are equipped with sweaters and warmer clothing during the cold weather.

USE OF SCHOOL FACILITIES

Organizations requesting use of the school building facilities must do so in writing a minimum of three weeks in advance, on a Request for Use of Building form. These forms are available at the main office of each school building and at the district business office. All requests for use of school facilities should be submitted to the principal of the building requested.

School facilities are not to be used by any group without custodial services. In general, the use of school facilities on Saturdays and Sundays is discouraged; however, if all other attempts to schedule activities during the regular school week have been exhausted, permission may be granted when the organization (school or otherwise) agrees to pay for custodial services for time before, during, and after the activity at the overtime hourly rate.

All meetings, events, and uses of school facilities shall be nonexclusive and open to the general public. Meetings of a partisan or political nature are not permitted. It is the responsibility of the requesting organization to ensure that proper behavior is maintained while using school facilities.

WHEN IN DOUBT...CHECK IT OUT!

If you have any questions about the school district, or if you wish to check the accuracy of information reported by outside sources, call the district office. In most cases, your questions can be answered immediately. However, if the information you seek is not readily available, your questions will be answered by return call.

GUIDANCE

Through personal contact with a highly trained, effective and caring counselor, all students are offered the opportunity to discuss, explore and evaluate their abilities, needs, difficulties and aspirations.

Counselors note social and academic growth, and interpret standardized test results for students and parents. They are responsible for social and psychological services referrals. Guidance-sponsored meetings keep parents informed on the subject offerings currently available, highlight specific programs, and present valuable information on college planning and financial aid opportunities.

The guidance office is a resource center where students and parents may review extensive reference materials: directories and bulletins from schools of many types, occupational files, and summaries of scholarships and loan sources. A computer terminal, programmed to provide frequently sought occupational and educational data, is also available to students.

For further information on guidance services, call the guidance office at the high school, 754-5360, ext. 405.

COLLEGE TESTING

PSAT/NMSQT: Verbal reasoning, math reasoning, and writing skills are three important skills measured by the PSAT/NMSQT. Taking the PSAT/NMSQT (administered in October of junior year) is an excellent way to prepare for college. By taking the PSAT/NMSQT, juniors will practice for the SAT, compete for scholarships, and begin to receive informational literature from colleges. These scores are not released to the colleges unless requested.

SAT I: Reasoning Test - The College Board's SAT I Reasoning Test measures verbal and mathematical reasoning abilities related to successful performance in college. It is offered several times throughout the year and helps admissions officers put local data - such as coursework, grade, and class rank - in a national perspective. Students may register for the SAT either on line at www.collegeboard.com or by picking up the form in the guidance resource center.

ACT: The American College Test (ACT) is a three-hour test offered five times a year, which measures achievement in four areas (English, math, reading, and natural science). Registration forms for the test, which include an interest survey, are in the guidance resource center, or students may register online at www.act.org. Harborfields is not a test center for the ACT.

SAT II: Subject Tests - The SAT II: Subject Tests are designed to measure knowledge, and the ability to apply that knowledge in specific areas, such as English, history, social studies, mathematics, sciences, and languages. Usually the more selective college requires SAT IIs for admission. These tests should be taken upon completion of coursework, usually honors or Advanced Placement level.

REGISTRATION FOR COLLEGE TESTING

- Registration forms should be picked up at the guidance office.
- Consult the application for the nearest test center location.
- A social security number is required when registering for state and national tests.
- Harborfields High School code is 332182. The Harborfields Test Center code is 33-464 for SATs.

EMERGENCY PREPAREDNESS PLAN

Regulations of the Commissioner of Education require each school district to develop a School Emergency Management Plan. This plan covers emergency procedures which include sheltering, evacuation, and early dismissal of students. The School Emergency Management Plan is available for public inspection in the office of the assistant superintendent for business and in the main office of each school.

INTEGRATED PEST MANAGEMENT

New York State Education Law, Section 409-H, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

Harborfields Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour written notification of certain pesticide applications. In the event of an emergency application necessary to protect against imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, notify Drew Cacciola, District Maintenance Leader and the Harborfields Central School District pesticide representative, at 754-5424. Please feel free to contact Mr. Cacciola to obtain additional information relative to these requirements.

SPECIAL EDUCATION PARENT TEACHER ASSOCIATION

The Special Education Parent Teacher Association (SEPTA) of Harborfields is a districtwide PTA unit with an Executive Board of Officers that volunteer their time and services. The purpose and goal of SEPTA is to ensure a fair and appropriate public education for all children. SEPTA specifically recognizes the special needs of children in grades K through 12 that receive services under the umbrella of "Special Education," Section 504, and Gifted and Talented. SEPTA is an advocacy group that provides the public with information pertinent to children with special needs. Advocacy is attained through participation and collaboration with the BOE, administration, staff, as well as the other PTA units and organizations within Harborfields Central School District.

Harborfields SEPTA sponsors numerous programs and awards including: Summer Academy, Teacher Fellowships, Senior Scholarships, Eighth-Grade Awards, speakers, and parent workshops. Please check this calendar for dates for our Second Cup of Coffee, a confidential parent support group. SEPTA recognizes the importance of community support as an integral component in achieving our goals, and we invite all members of the community to become a member of the Special Education PTA.

TITLE IX AND SECTION 504 POLICIES

The Harborfields Central School District hereby advises students, parents, employees, and the general public that it offers employment and educational opportunities without regard to sex, race, color, national origin, disability, or sexual orientation.

Inquiries regarding the nondiscrimination policy may be directed to the Title IX Coordinator and Section 504 Coordinator (Discrimination of the Disabled):

Dr. Howard Koenig, Assistant Superintendent
for Human Resources

Harborfields Central School District
2 Oldfield Road, Greenlawn, New York 11740
(631) 754-5320, ext. 322

If you believe that you have been discriminated against, you may make a claim that your rights have been denied. This claim or grievance may be filed with the Title IX Coordinator or Section 504 Coordinator. You may also file a complaint of illegal discrimination with the Federal Office for Civil Rights, United States Department of Education, at the same time you file the district grievance, during or after the use of the district grievance process, or without using the district grievance process at all.

If you wish to discuss your rights under Title IX or Section 504, or obtain a copy of the full grievance procedure, contact the Title IX or Section 504 Coordinator.

BOARD OF TRUSTEES

Joyce Hilgeman, Ph.D.
Jenny Wyckoff Shore
Joseph Friedlander
Thomas M. Koorey
William K. Baker

DIRECTOR

Carol A. Albano

ASSISTANT DIRECTOR

Ryan Athanas

The Harborfields Public Library is an independent institution chartered by the New York State Department of Education to serve all the residents of the district. It is maintained by a library tax levy for that purpose, and is governed by a five-member Board of Trustees, elected from among the residents of the district to serve five-year terms. Regular monthly board meetings are held at the library, usually on the last Thursday of each month at 7:30 p.m. Notice of special meetings is posted three days in advance, and the public is welcome to attend.

The library has books, periodicals, DVDs, CDs, computer workstations, high speed Internet access, WiFi and programs for all ages and interests. It also provides interlibrary loan service from libraries throughout the county and United States.

LIBRARY HOURS:

Monday – Thursday 9 a.m. - 9 p.m.
Friday 10 a.m. - 9 p.m.
Saturday 9 a.m. - 5 p.m.
Sunday (Sept. - June) 1 p.m. - 5 p.m.
(Unless Otherwise Noted on Calendar)

GREENLAWN-CENTERPORT HISTORICAL ASSOCIATION

Post Office Box 354, Greenlawn, N.Y. 11740
754-1180
e-mail: gcha-info@usa.net
website: <http://www.gcha.info>

The Greenlawn-Centerport Historical Association was organized in 1973 to research, record and preserve community history. An Absolute Charter from the New York State Board of Regents was granted in 1976. The Russell B. Brush Research Center, located in the East Wing of the Harborfields Public Library, houses the office, library and permanent collection of historical documents. Education programs for school and community groups can be arranged.

The Association owns the John Gardiner Farm, located at the corner of Park Avenue and Little Plains Road and the Suydam Homestead, located at the crossroads of Route 25A and Centerport Road. The Suydam House is open to the public on Sundays, 1-4 p.m., June through October. Admission is free.

The Russell B. Brush Research Center Hours at Harborfields Public Library:

Monday-Thursday 9:00 a.m. – 1:00 p.m.
Friday 10:00 a.m. – 1:00 p.m.
or by appointment

TAX EXEMPTIONS FOR SENIOR CITIZENS

A senior citizen is entitled to a partial exemption from school district taxes, up to 50% of the assessed valuation, when the following conditions exist:

- Each of the owners must be 65 years old or over, except where the property is owned by a husband and wife. Then only one needs to be 65 or over.
- The combined income of the owners must not exceed \$37,400, even if the property is owned by the husband or wife only. Income includes social security and retirement benefits, interest, dividends, salary, net rents, and self-employment earnings.
- One owner of the property has so owned for 12 consecutive months prior to making application.
- The property must be used for residential purposes only.
- The property is occupied in whole or in part by the owner or owners.
- Application must be made annually on or before March 1. The tax relief will then be applied to the tax year beginning December 1. Residents who believe they are qualified for the exemption, or who desire further information, should contact: Town of Huntington Assessor's Office, 100 Main Street, Huntington, NY 11743, 351-3226.

SCHOOL TAX RELIEF (STAR) PROGRAM

The Harborfields Central School District supports the STAR Program which provides a school property tax reduction for all "Primary Residence" property owners. There are two types of STAR exemptions: Basic STAR and the Enhanced Senior STAR. Residents may be eligible for one or the other.

To be eligible for either program, you must own residential property, which must be your primary residence, and you must file an application with the Town of Huntington STAR Office by March 1. Basic STAR applicants have no age, income, or annual renewal requirements. To receive the added savings from the Enhanced Senior STAR, applicants must submit proof of age and income, and must renew annually on or before March 1 of each year. If you have any questions or seek further assistance, please contact: Rhonda Taylor Gooden, Coordinator, STAR Office, 100 Main Street, Huntington, NY 11743, 351-3306.

**CHARACTER EDUCATION
MISSION STATEMENT**

The Harborfields Central School District is committed to promoting character and civic awareness in a supportive environment that fosters a respect for differences and cultivates the development of a compassionate, caring, honest, and responsible schoolwide community.

PARENTS AS PARTNERS

parentsaspartners@harborfieldscsd.org

Parents as Partners was created as a collaborative venture between parents and key individuals within the Harborfields Central School District. Its original intent was to provide an arena for parents, administrators, psychologists, and social workers to discuss parenting topics in an informal atmosphere. From a very small group of committed individuals came an established committee that now provides annually to the Harborfields school community comprehensive workshops on relevant and applicable parenting topics.

In 2004-2005, a Resource Directory link was added to the Parents as Partners section of the district's website. The directory includes local, state, and national organizations that can provide assistance to parents on a variety of topics.

- Committee Co-ChairpersonMichelle Holmes
- Committee Co-ChairpersonChristine Majid
- Administrative ChairpersonDiana Todaro

ART EDUCATION

Beginning in kindergarten and extending through the eighth grade, all students are provided with instruction in the visual arts. A variety of foundation experiences in art at the elementary level lead to exciting opportunities for the exploration of art at the middle school and high school. The goal of our K-12 art program is to encourage students to discover their creative abilities through exciting experiences in art, while learning about the history and application of the visual arts in today's world.

At the middle school and high school levels, students have the opportunity to create art through traditional mediums in addition to the introduction of computer-assisted art and photography. A wide variety of electives in the visual arts are offered at the high school level in addition to opportunities to exhibit artwork in the community and to enter juried art shows. Harborfields High School maintains an active chapter of the National Art Honor Society.

**HARBORFIELDS CENTRAL
SCHOOL DISTRICT WEBSITE**

www.harborfieldscsd.net

The Harborfields Central School District's website address is www.harborfieldscsd.net. The following links may be accessed through the website: budget and bond updates, school district calendar, Parents as Partners activities, Harborfields Council of PTAs, testing schedule, health and athletic forms, information about our four schools, and Industry Advisory Board activities. Additionally, on a regular basis the superintendent of schools will include a message to the community.

MUSIC EDUCATION

Beginning in kindergarten and extending through the elementary school years, all students attend a weekly music class as a part of our comprehensive foundation program in music education. During this time students are exposed to a wide variety of musical experiences, including singing and learning to play recorder flutes. In the fourth grade students may begin a band instrument. Parents are encouraged to obtain a rental instrument outside of the school for use by their child. Where applicable and available, the district provides a limited number of large instruments for loan during the school year. Students participating in our elementary, middle school, and high school orchestra program and those students in our elementary and middle school band programs are required to attend one in-school group lesson per week. Students may also enroll in the third-grade string program, or delay starting a band instrument or chorus until grade four to participate in the fourth-grade band and/or chorus program. Please note that ALL beginning third- grade string students and parents must agree to make a 2-

year commitment to the string program by joining the program in third grade. Students in these ensembles are required to attend weekly before-school rehearsals (except for fourth-grade chorus, which meets during the school day) in addition to their weekly in-school lesson group class. A summer music program is offered to elementary and middle school students in collaboration with the Town of Huntington in order to provide additional music enrichment.

At the middle school and high school levels, opportunities continue for music instruction through varied classroom music elective and performing music programs. In addition to a large number of band, chorus, and orchestra performing groups at these levels, students may audition for our instrumental jazz program and also for membership in the high school vocal ensemble. Musical theater productions take place at the middle school and high school in addition to opportunities for all students K-12 to participate in NYSSMA, LISFA, SCMEA, All-County, and All-State performing groups. Harborfields High School maintains an active chapter of the National Tri-M Music Honor Society. Students involved in our performing groups in grades 4-12 are presented in evening concerts with their respective school performing group(s) several times each year.

**GUIDELINES FOR PARENT USE
OF STAFF E-MAIL**

1. All members of the professional staff including administrators, teachers, and support staff have been assigned an e-mail address beginning with their last name and first initial followed by @harborfieldscsd.org. Example: smithj@harborfieldscsd.org
2. This technology is intended to provide parents with the opportunity to e-mail their child's teacher or building administrators for the following purposes: notification or confirmation of a meeting or general reminders. However, e-mail communication should not replace established building procedures relative to items that require original parent signatures, as in the case of but not limited to: approval for a field trip, absence/tardiness notes, early dismissal notes, bus notes, and pickup notes. The following guidelines will assist parents with this process:
 - a. Response to an e-mail will generally be in the form of an e-mail but may be a phone call or written note.
 - b. In responding to an e-mail, it may be necessary to indicate that a follow-up phone call or meeting will be scheduled to further address the content discussed in the e-mail. E-mail is not intended to replace personal contact.

- c. In the event of a student absence of one or two days, the student should continue to consult with a fellow classmate, at the middle school and high school levels, to inquire about missed classwork or homework. At the primary or elementary level, the parent should continue to contact the main office for missed assignments. However, the assignments will need to be picked up from the school.
- d. For extended absences of three days or more, the parent may contact the teacher via e-mail to request assignments. However, if the nature of the material is in a format that cannot be e-mailed, the assignments will be forwarded to the main office for the parent to pick up. Individual assistance to students and parents will not be offered via e-mail.
- e. Information that may be confidential in nature such as, but not limited to, performance on an exam, student evaluations, medical information, or personal information, should not be communicated via e-mail.
- f. The staff member will view e-mail regularly throughout the school day and generally respond to such e-mail within 24 hours or a reasonable period of time following receipt. E-mail messages received after business hours, during weekends and vacations will receive a response upon his/her return to school.
- g. It is not necessary to "cc" parent-to-teacher and teacher-to-parent e-mail to the building administrators.
- h. Requests that are time-sensitive should be submitted in the form of a written note or via phone contact.

SCHOOL DISTRICT CODE OF CONDUCT

It is the Board of Education's belief that students should be treated as persons who can reasonably be expected to be responsible for their own behavior. The school administration will assist each student in developing personal responsibility with some general rules of conduct, focusing on safety and respect for the rights and property of others, and consistently applied in the classroom, on buses, throughout the school, on school property, or at school-sponsored events away from the school. Students who cannot accept this responsibility and violate school rules will be required to accept the penalties and more regulated supervision.

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that is viewed as fair and impartial by students. Therefore, before seeking outside assistance, teachers will first use all their resources to create a change of behavior in the classroom. When the teacher has made every effort to bring about positive behavioral change, and has been unsuccessful, students may be removed from class in accordance with this policy and/or referred to the administration.

Upon referral, the administration assumes the role of deciding what further action will be taken.

Disciplinary action, when necessary, will be firm, fair, and consistent in order to be most effective in changing behavior.

I. SCHOOL/COMMUNITY RESPONSIBILITIES

The Board of Education, acting through the Superintendent of Schools, holds the Superintendent and all school employees responsible for the maintenance of order within the school district. All employees, students, parents, and visitors are expected to respect the civil and property rights of all members of the school community and to act and dress in a manner befitting an educational institution.

- a. The Superintendent of Schools shall establish all necessary procedures, rules, and regulations to carry out Board policy; shall hold all school personnel, students and parents responsible for conforming to Board policy concerning the behavior of students; and shall support all school personnel performing their duties within the framework of district policies.
- b. The school principal or his/her designee is responsible to the superintendent of schools in implementing all necessary procedures, rules, and regulations to make effective the Board policies. The principal has the responsibility and authority to formulate school rules and regulations in accordance with Board policy. The principal shall give full support to school personnel performing their duties within the framework of district policies. The principal shall involve other members of the professional team in the disposition of behavior referrals and shall make use of all agencies available for assisting students and parents.
- c. Teachers shall be responsible for providing a well-planned teaching/learning situation. They shall enforce the rules and regulations in the schools and shall provide support in maintaining district policy.
- d. Support staff shall be responsible for enforcing rules and regulations in the schools and shall provide support in maintaining district policy.
- e. Students are expected to dress and conduct themselves in a manner conducive to a proper learning environment. Students will be held individually responsible for knowing the policy and assisting in its implementation.
- f. Parents and guardians have the overall responsibility for the behavior of their children. Parents and guardians are expected to cooperate with school authorities and provide their children with the foundation of respect, dignity, and self-control so that the students' behavior will be supportive of the school's educational program.
- g. Visitors to our schools (including parents) are expected to comport themselves as guests of the district and to abide by

all rules and regulations set forth for attending activities and using facilities, including signing in at the greater desk or main office when visiting a school that is in session. Individuals who do not comply with rules and regulations set forth for activities and using facilities may be removed and/or prohibited from attending future activities.

II. STUDENT DISCIPLINE CODE

A. Definitions

- 1. Disruptive Student - an elementary or secondary student under the age of 21 who is substantially disruptive of the educational process or substantially interferes with the teacher's authority over the classroom.
- 2. School Property - in or within any building, structure, athletic playing field, playground, parking lot, or land contained within the real property boundary line of the school district, or on a school bus, as defined in Vehicle and Traffic Law (Section 142).
- 3. School Function - any school-sponsored extracurricular event or activity.
- 4. Violent Student - a student under the age of 21 who engages in the following prohibited conduct:
 - a. Commits an act of violence upon a school employee, or who attempts to do so.
 - b. Commits an act of violence upon another student or any person lawfully on school property or at a school function, or attempts to do so.
 - c. Possesses, while on school property or at a school function, a weapon.
 - d. Displays, while on school property or at a school function, what appears to be a weapon.
 - e. Threatens, while on school property or at a school function, to use a weapon.
 - f. Knowingly and intentionally damages or destroys school property or the personal property of any school employee or any person lawfully on school property or at a school function.
- 5. Weapon - includes but is not limited to a firearm as defined in 18 USC Section 921 for purposes of the Gun-Free Schools Act; any other gun, BB gun, pistol, revolver, shotgun, rifle, machine gun, disguised gun, dagger, dirk, razor, stiletto, switchblade knife, gravity knife, brass knuckles, sling shot, metal knuckle knife, box cutter, cane sword, machete, electronic dart gun, Kung Fu star, numchucks, electronic stun gun, pepper spray or other noxious spray, explosive or incendiary bomb, or other device, instrument, material, or substance that can cause physical injury or death.

B. Prohibited Student Conduct

A student may be subjected to disciplinary action, up to and including suspension from school, when the student violates the rules and regulations of the school he/she attends and/or

1. Engages in conduct which is:

a. Disorderly, i.e., causing public annoyance or alarm, or recklessly creating a risk thereof, by any act including, but not limited to:

- Running in the hallways.
- Making unreasonable noise.
- Using abusive or obscene language or gestures.
- Obstructing vehicular or pedestrian traffic.
- Creating a hazardous or physically offensive condition.
- Engaging in any willful act which disrupts the normal operation of the school.
- Trespassing, i.e., presence in a school building other than the one the student regularly attends without the permission of the administrator in charge of the building and/or his/her designee.
- Computer/electronic communications misuse, including any unauthorized use of computers, software, or Internet account; accessing inappropriate websites; or any other violation of the district's acceptable use policy.

b. Insubordinate, i.e., failing to comply with the lawful directions of a teacher, school administrator, or other school employee or otherwise demonstrating disrespect.

2. Endangers the safety, morals, health, or welfare of others by any act including, but not limited to:

a. Selling, using, distributing, possessing, or being under the influence of alcohol, drugs, illegal substances, or other controlled substances or drug paraphernalia. Illegal substances include but are not limited to inhalants, marijuana, cocaine, LSD, PCP, amphetamines, steroids, look-alike drugs, and any substances commonly referred to as designer drugs.

b. Selling, using, or possessing weapons, fireworks, or other dangerous instruments or contraband, including instruments that may have the appearance of a weapon or may reasonably be mistaken for a weapon.

c. Selling, using, or possessing obscene materials.

d. Using profane, vulgar, or abusive and offensive language and/or gestures.

e. Engaging in libel and/or slander against any student, employee, or other persons.

f. Smoking, chewing tobacco, using snuff.

g. Gambling.

h. Hazing.

i. Committing theft or robbery.

j. Engaging in racial, ethnic, sexual, or other types of harassment and/or discrimination against any student, employee, or other persons, including bullying, teasing, or name calling.

k. Dressing in a manner that is disruptive to the educational process.

l. Making threats against other individuals and/or their property.

m. Selling items without permission on school property, on buses, or at school-sponsored events away from the school.

n. Defacing and/or destroying school and/or other persons' property.

o. Misusing computer/electronic communications in violation of the district's Internet Use Policy.

p. Initiating a report warning of fire or other catastrophe without valid cause, misuse of 911, or discharging a fire extinguisher.

3. Engages in any of the following forms of academic misconduct but not limited to:

a. Lateness for, missing or leaving school, class or room assignment without permission or an acceptable excuse.

b. Cheating (including but not limited to copying, using unauthorized help sheets and the like, illegally obtaining tests in advance, substituting for a test-taker, other forms of unauthorized collusion, or plagiarism).

4. Engages in conduct violative of the Board's rules and regulations for the maintenance of public order on school property.

5. In addition to the above, specific rules and regulations governing the attendance of students at Washington Drive Primary School, Thomas J. Lahey Elementary School, Oldfield Middle School, and Harborfields High School may be established by the building principals. Such rules and regulations may be located in the Student Handbooks that are distributed to the students on an annual basis. Specific classroom rules and regulations may also be established by teachers and will be communicated to students on an annual basis.

6. Students are not to use cell phones during the school day.

C. Penalties

Attempts will be made to remediate disciplinary problems through parent conferences and counseling as deemed appropriate. With parental consent, referrals may also be made to human services agencies.

Depending upon the frequency and severity of behavior, the range of penalties which may be imposed for violations of the student discipline code include the following:

1. Verbal warning.

2. Written warning.

3. Probation.

4. Reprimand.

5. Detention.

6. Suspension from transportation, athletic or co-curricular participation, or from other school privileges.

7. Removal from a class or other school-sponsored activities.

8. In-school suspension.

9. Suspension by the building principal of up to five consecutive days and for more than five days after a superintendent's hearing.

10. Referral to law enforcement agencies, including PINS petition.

Depending upon the nature of the violation, student discipline should be progressive, i.e., a student's first violation should ordinarily merit a lighter penalty than subsequent violations. School officials will

take into account all other relevant factors in determining an appropriate penalty. The above penalties may be imposed either alone or in combination. The use of corporal punishment as a means of discipline is prohibited by Board of Education policy. Teachers may remove a disruptive student from class for a maximum of two days in accordance with administrative regulations.

D. Short-Term (Five Days or Less) Suspension from School

Students subjected to a short-term suspension must be given an opportunity for an informal conference with the principal, at which an explanation of the basis for the suspension must be provided. The suspending authority must notify the student's parents in writing within 24 hours of the decision to impose a suspension. The letter must indicate the reason for the suspension and afford the parents of their right to request an informal conference with the principal. The notice and opportunity for a conference must take place before the student is suspended, unless the student's presence is deemed to be a continuing danger to person or property or an ongoing threat of disruption to the academic process. Parents have the right to appeal the principal's decision to the superintendent within five days of being notified. The superintendent must issue a written decision within 10 business days, whereupon the parents may file a written appeal to the Board within 10 days of the date of the superintendent's decision. Only final decisions of the Board may be appealed to the Commissioner of Education within 30 days of the decision.

E. Long-Term (more than five days) Suspension from School

When the superintendent or principal determines that a suspension for more than five days may be warranted, he/she shall give reasonable notice to the student and the student's parents of their right to a fair hearing.

At the hearing, the student shall have the right to be represented by counsel, the right to question witnesses against him/her, and the right to present witnesses and other evidence on his/her behalf.

The superintendent shall personally hear and determine the proceeding or may, at his/her discretion, designate a hearing officer to conduct the hearing. The hearing officer shall be authorized to administer oaths of office and to issue subpoenas in conjunction with the proceeding. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and recommendations as to the appropriate measure of discipline to the superintendent. The report of the hearing officer shall be advisory only, and the superintendent may accept all or any part thereof.

An appeal of the decision of the Superintendent may be made to the Board, who will make its decision based solely upon the record before it. All appeals to the Board must be in writing and submitted to the district clerk within 10 business days of the date of the superintendent's decision, unless the parents can show that extraordinary circumstances precluded them from doing so. The Board may adopt, in whole or in part, the decision of the superintendent. Final decisions of the Board may be appealed to the Commissioner within 30 days of the decision.

F. Reporting Violations

The building principal and/or his/her designee must notify the appropriate local law enforcement agency of those code violations that constitute a crime and substantially affect the order or security of a school as soon as possible, but in no event later than the close of business the day the principal and/or his/her designee learns of the violation. The notification may be made by telephone, followed by a letter mailed on the same day as the telephone call is made. The notification must identify the student and explain the conduct that violated the code of conduct and constituted a crime.

G. Disciplinary Procedures

Any teacher, administrator, parent, student, or other person may report a violation of the Student Discipline Code to the building principal and/or his/her designee. Violent incidents must be reported to the building administration. The principal or his/her designee will make an investigation of the charges as deemed appropriate and institute an informal or disciplinary proceeding, and/or refer the matter to the building-level Child Study Team, as deemed necessary. All students will have an opportunity to present their version of the facts to the school personnel imposing the disciplinary penalty.

H. Students with Disabilities

The district recognizes that it may be necessary to suspend, remove, or otherwise discipline students with disabilities to address disruptive or problem behavior. The district also recognizes that students with disabilities enjoy certain procedural protections whenever school authorities intend to impose discipline upon them. The district is committed to ensuring that the procedures followed for suspending, removing, or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations. Therefore, before students with disabilities are disciplined, school authorities must check with the director of pupil personnel services to determine if the penalty being imposed is permissible under special education law.

The amount of due process a student is entitled to receive before a penalty is imposed depends upon the penalty being

imposed. The disciplinary procedures concerning the imposition of discipline shall be in accordance with administrative regulations. In all cases, regardless of the penalty imposed, the school personnel authorized to impose the penalty must inform the student of the alleged misconduct and must investigate, to the extent necessary, the facts surrounding the alleged circumstances and if any Interim Alternative Educational Setting (IAES) is appropriate. Students with disabilities assigned to an IAES must continue to receive those services and modifications described on the student's Individualized Education Program (IEP). In more serious cases, the district's Committee on Special Education (CSE) should decide whether or not the student's behavior is a manifestation of his/her disability and if an IAES is appropriate. However, if the behavior involves weapons, illegal drugs, or controlled substances, the use of an IAES would be appropriate.

III. BILL OF STUDENT RIGHTS AND RESPONSIBILITIES

A. Student Rights

Pursuant to Section 100.2(1)(1)(i) of the Regulations of the Commissioner of Education, a Bill of Student Rights and Responsibilities is established. Students in the Harborfields Central School District shall:

1. Be suspended from instruction only after their rights, pursuant to Education Law §3214 as set forth in Board of Education policy, have been observed.
2. In all disciplinary matters, have the opportunity to present their version of the facts and circumstances leading to imposition of disciplinary sanctions to the professional staff member imposing such sanction.
3. Have the opportunity to take part in all district activities on an equal basis regardless of race, sex, religion, national origin, sexual orientation, or disabilities.
4. Have the opportunity to take part in student government activities unless properly suspended from participation, pursuant to the district's discipline policy.
5. Have the opportunity to address the Board of Education on the same terms as any citizen.

B. Student Responsibilities

It shall be the responsibility of all students in the Harborfields Central School District:

1. To be familiar with and abide by all district policies, rules, and regulations pertaining to student conduct.
2. To work to the best of their abilities in all academic and extracurricular pursuits and strive toward the highest level of achievement possible.
3. To conduct themselves, when participating in or attending school-sponsored extracurricular events, as a representative of Harborfields Central School District and as such, hold themselves to the highest standards of conduct, demeanor, and sportsmanship.
4. To regularly attend class and school.
5. To contribute to the maintenance of an environment that is conducive to learning and will be expected to show due respect to other persons and property.
6. To make constructive contributions to their school and to report fairly the circumstances of school-related issues.
7. Dress in a manner that is conducive to the educational process and suitable for the function being attended.

IV. EARLY IDENTIFICATION AND RESOLUTION OF STUDENT DISCIPLINE PROBLEMS

Pupil personnel, administrators, teachers, students, and others will report students to the building principal or his/her designee when they believe such students present a potential risk of committing violence or exhibiting antisocial behavior or a discipline problem. At the direction of the principal or his/her designee, a review will be conducted, which may include conferences with the complainant, student, parents, teachers, other pupil service personnel or others, as deemed appropriate for the early identification and resolution of the suspected problem. If it is suspected that the problem may be a manifestation of a disability, the matter will be referred to the Committee on Special Education in the manner prescribed by Section 200.4 of the Commissioner's Regulation and by district policy. To the extent possible, the identity of a student reporting another student will be kept strictly confidential.

V. ALTERNATIVE EDUCATION PROGRAMS

Every effort will be made to foster early intervention measures in attempting to resolve potential for violent or antisocial behavior or disciplinary problems. For those students who are unable to benefit from the learning experiences offered within the regular school program, or if in the principal's judgment, the student's conduct, including potential for violent or antisocial behavior or discipline problems, raises a question as to the student's ability to function, then placement may be made in an alternative education program, including home instruction. Such placement will require approval by the superintendent. No student who has been identified as disabled will be placed in an alternative education program, unless recommended by the Committee on Special Education.

VI. IN-SCHOOL SUSPENSION PROGRAMS

The Board recognizes the importance of school attendance. Therefore, suspension or expulsion from school must generally be reserved for the most serious of student disciplinary infractions. The Board also recognizes the need to remove unruly or disruptive students from the regular school program, so that learning can take place in the classrooms of the district. In-school suspension programs, which are set forth in Board of Education policy, will provide appropriate supervision of students.

VII. STAFF DEVELOPMENT OPPORTUNITIES

Continuing staff development on the part of the entire staff is essential for the success of educational programs and the effective application of this School District Code of Conduct policy. To familiarize the staff with the provisions and purposes of this policy, in-service programs will be conducted on an annual basis. The staff will be encouraged to make use of available in-service opportunities, including participation in special in-service courses and attendance at workshops and conferences.

VIII. DISSEMINATION AND REVIEW OF CODE OF CONDUCT

The Board will work to ensure that the community is aware of this code of conduct by:

1. Printing the School District Code of Conduct in the school calendar each year.
2. Printing the School District Code of Conduct in the student handbooks distributed to all middle and high school students, and arranging for a presentation on the School District Code of Conduct at assembly programs held at the beginning of each school year.
3. Providing all teachers with a copy of the code of conduct and copies of any amendments to the code as soon as practicable after adoption.
4. Providing all new employees with a copy of the School District Code of Conduct when they are first hired.

The Board of Education will review this School District Code of Conduct every year and update it as necessary. In conducting the review, the Board will consider how effective the codes' provisions have been and whether the code has been applied fairly and consistently.

STUDENT CODE OF COMPUTER CONDUCT

When using the school's computer network system/Internet account, I promise:

- Never to give out any personal information (name, address, phone, e-mail, gender, etc.).
- Never to give out another person's personal information.
- Never to try to set up or accept an invitation to a meeting with anyone.
- Never to buy or sell anything online.
- Never to access or transmit sexually explicit material.
- Never to access or transmit violent material.
- Never to harass or annoy anyone through messages or postings.
- Never to access or transmit discriminatory material (racist, sexual, or prejudicial).
- Never to try to disarm any software or hardware used to protect the school's computer system.
- Never to use software, hardware, or disks that I am not allowed access to (hacking).
- Never to plagiarize (treat other people's words or ideas as my own).

- Never to violate copyright law (copy another person's work illegally or use their work like it is my own without the proper permission of my teacher).
- Never to download or upload any material without my teacher's permission.
- Never to transmit material (e-mail or other Internet postings) unless under the direct supervision of my teacher.
- Always to be respectful of people and the equipment.
- Never to do or say anything using the computer that I could not do or say in my teacher's presence.

I understand:

- That I may only use the school's computer system for limited educational purposes.
- That the school may limit my access to materials on the system.
- That my teachers, principal, or other authorized people may see anything I save, access, transmit, or use at any time.
- That I will tell my teacher, principal, or other authorized person when I have seen any pornographic, violent, discriminatory, or other material that makes me feel uncomfortable.
- That I will tell my teacher, principal, or other authorized person when I have been asked for a meeting or personal information while using the network/Internet.
- If I violate any of these rules, I will face disciplinary action. This action may include removal from the system temporarily or permanently. I also realize that I may face more serious consequences depending on the seriousness of my offense under the district's or school's disciplinary rules.

PARENTAL INVOLVEMENT POLICY

In 2002, the federal government passed the "No Child Left Behind" legislation, which requires many things of school districts. One requirement is the adoption of a parental involvement policy that delineates areas and the extent to which parents must be involved in decisions impacting on their children's education. The Board of Education adopted such a policy in the summer of 2003, and each school was charged with its implementation effective with the 2003-2004 school year. A copy of the policy may be obtained by contacting the superintendent's office.

The Harborfields PTA Reflections Program is an initiative based on the National PTA cultural arts program that encourages students K-12 to express their thoughts and feelings through the creative arts. Its purpose is to develop a child's interest in the arts, to provide children with an opportunity to use their creative talents, and to allow them to express their feelings and ideas through original work. Each piece of original work must relate directly to the annually selected theme.

Media includes visual (painting, drawing, collage, needlework), literature (drama, poetry, prose, short story, song lyrics), music (original composition), or photography. The Reflections program begins in the fall and culminates with a special ceremony for those participants who have won recognition on the Suffolk District, statewide, or national level. All students are eligible to participate within the Harborfields Central School District.

Look for the PTA Link on the district's website at www.harborfieldscsd.net
