Naviance / Family Connection Introduction

What is Naviance / Family Connection?

- Naviance is a web-based college planning site for high school students. Counselors, students and parents have access to the website. Through Naviance, students can search for colleges that interest them based on their preferences and major (ex: size, location, cost etc.)

How do we access Family Connection?

- Go to www.harborfieldscsd.net
- Under the **Departments** menu, click **Guidance Department**.
- On the top left, click where it says **Family Connection**.
- Parents should have their own username and password separate from their child's. (Please contact the Guidance Department if you were not provided with a registration code).

The screenshot shows the homepage layout. At the top, there is a navigation bar with tabs for 'home', 'colleges', 'careers', and 'about me'. Below this is a 'family connection' header. The main content area is divided into several sections: 'pages', 'links', 'what's new', 'APPLICATION UPDATES', and 'updates'. The 'what's new' section lists three college visits with dates and times. The 'updates' section includes a message about 2 new messages, a document library, and a contact us link. A callout box points to the 'updates' section, and another callout box points to the 'document library' link.

TABS

- Family Connection is separated into easy to use TABS to navigate the website.

Colleges TAB

When a student finds a college that he/she is interested in, they can add that school to the **'colleges I'm thinking about'** tab.

When the student submits their application to the Guidance Resource Center, that particular school will then be moved to the **'colleges I'm applying to'** link. From there, the student and parents can track the application process.
