

Week of 1/9/2012

Food for Thought –

“Education is simply the soul of a society as it passes from one generation to another.”

- G. K. Chesterson

Congratulations to our Chamber Orchestra students for their wonderful performance at this year’s Town of Huntington Inauguration Ceremony. The outstanding music added richly to the ceremony and sent a crystal clear message about the special quality of our program. Thank you as well to Tom Gellert, Alan Walter and our musicians for demonstrating once again that the members of our learning family willingly go above and beyond the call of duty to enhance the community.

Special thanks to SEPTA for bringing last week’s Silver Linings presentation to Harborfields. The program provided us a priceless opportunity to follow the triumphs and accomplishments of our former students. It was inspiring to hear our graduates reflect so fondly on the efforts of their parents and teachers as they shared wonderful stories of life long success.
