

August 2010

Dear Harborfields Families,

We would like to introduce a new program that has been put in place by a local community store. Value Drugs has agreed to host a year round fund raiser for our PTSA. By presenting the enclosed key tag at the time of your purchase, a percentage of all purchases will be donated to the PTSA. We appreciate the generosity of Value Drug and looking forward to a successful partnership this year.

Harborfields High School PTSA
